# DEDICATED TO MR. KENNETH D. HERRING

Dear Student: The few years you attend school is only the foundation of your future. Sometimes people expect a student to leave high school with all the skills necessary to compete in our society. In some rare instances this may happen, but not often. The solid foundation a person needs is acquired through school as well as family, church, and community. It is our desire to help students acquire as solid a foundation as possible here at Port St. Joe Jr.-Sr. High School. After preparing a firm foundation in high school, our students can build their future as high as they want. It is our fulfillment and satisfaction to see the young people who walk these halls reach their ambitions and dreams. I hope you will treasure the experiences and memories recorded here for you and establish a solid foundation for your future. May God be with you.

Sincerely yours,  
Kenneth D. Herring

The Journalism Class of 1977-78 would like to dedicate our yearbook to Mr. Herring. We would also like to thank him for all he has done for us this year. Without this help and understanding it would have been alot harder on us. It is very hard to put together a yearbook that is pleasing to everybody. It takes up alot of your free time and requires alot of patience. The Journalism Class hopes that all that look through this annual will enjoy it. Thank you again Mr. Herring. The 1977-78 Journalism Class.

## Principals Do A Great Job

The principals of Port St. Joe High School always have a lot of work and responsibility to fulfill. This year, both of the principals have shown their leadership ability in many ways. They have worked out problems, scheduled and planned activities and assemblies, and done everything for the best interest of everyone. The principals have helped to make the 1977-78 school year a very good and successful one.

## Band of Gold Has A Super Year

The 1977-78 Marching Sharks pulled off another super year during both marching and concert seasons. The members put in many long hours of practice. Their hard work and efforts paid off, as was proved with their outstanding halftime performances. The football fans stayed in their seats to watch and to "boogie" to all the hit tunes. The rifles and flags added their own special touch to each show. The band was under the field direction of Drum Major Julane McFarland and Band Captain Suzanne Hammock. Director Ray Smith deserves all of the credit for the band's size growth, its improvements, and its success (and he has never made more than one mistake). His spirit is admired by the faculty, students, and community. The band traveled to the yearly Florida's Bandmaster's Asso-

ciation Marching Contest and they received an excellent rating. This marked the end of another marching season and the beginning of their concert season. The seniors and squad leaders were a great asset in working with all the young band members. Being in the concert band is much more of a challenge to a musician. It involves more technique and skill in playing an instrument. The concert season turned out to be the band's best season for the year. St. Joe came home from the District II playing contest with a superior rating and high hopes for the state contest in Tallahassee. After a month more of hard work, they left for state contest. The band did a fine job at state. Although they did not make that magic number 1, they still made the folks at home feel proud. It was a super year.

## SHARKS HAVE TUFF SEASON BUT

The "Tiger-Sharks" open the 77-78 football season with an agonizing 7-0 upset to their county rivals the Wewa Gators. It was not until the second half when the Sharks finally put together a drive that put them on the Gator one yard line with a fourth and goal to go situation. But the fired up Gators smelled a win all around them. When the play ended St. Joe was held on the Gator 6 inch line, thus stinging St. Joe with the first loss to Wewa in ten years. After trying to put the humiliation and disgust behind them throughout the next week of practice, Saint Joe finally figured out what football meant and it also hit a spark as the Sharks went on the road to participate in their first conference game, against the Florida High Demons of

Tallahassee. The Demons lit up the scoreboard first on a fumble recovery deep in Saint Joe's own territory. Port St. Joe also capitalized on key turnovers and at halftime had a 12-6 lead over the Demons. The Sharks weren't satisfied with the score and capitalized on another interception and went on to prove that a young team without very much experience, could win a game through teamwork and did it by beating the Demons 18-6. Luck didn't seem to be on the Shark's side throughout the rest of the season. Plaguing them with penalties, turnovers, and most of all injuries. Those obstacles had a big outcome on the seasons record, giving the Sharks losses to Fort Walton 26-7, Wakulla 26-7, Marianna 24-0, Chipley 26-0 and powerhouse

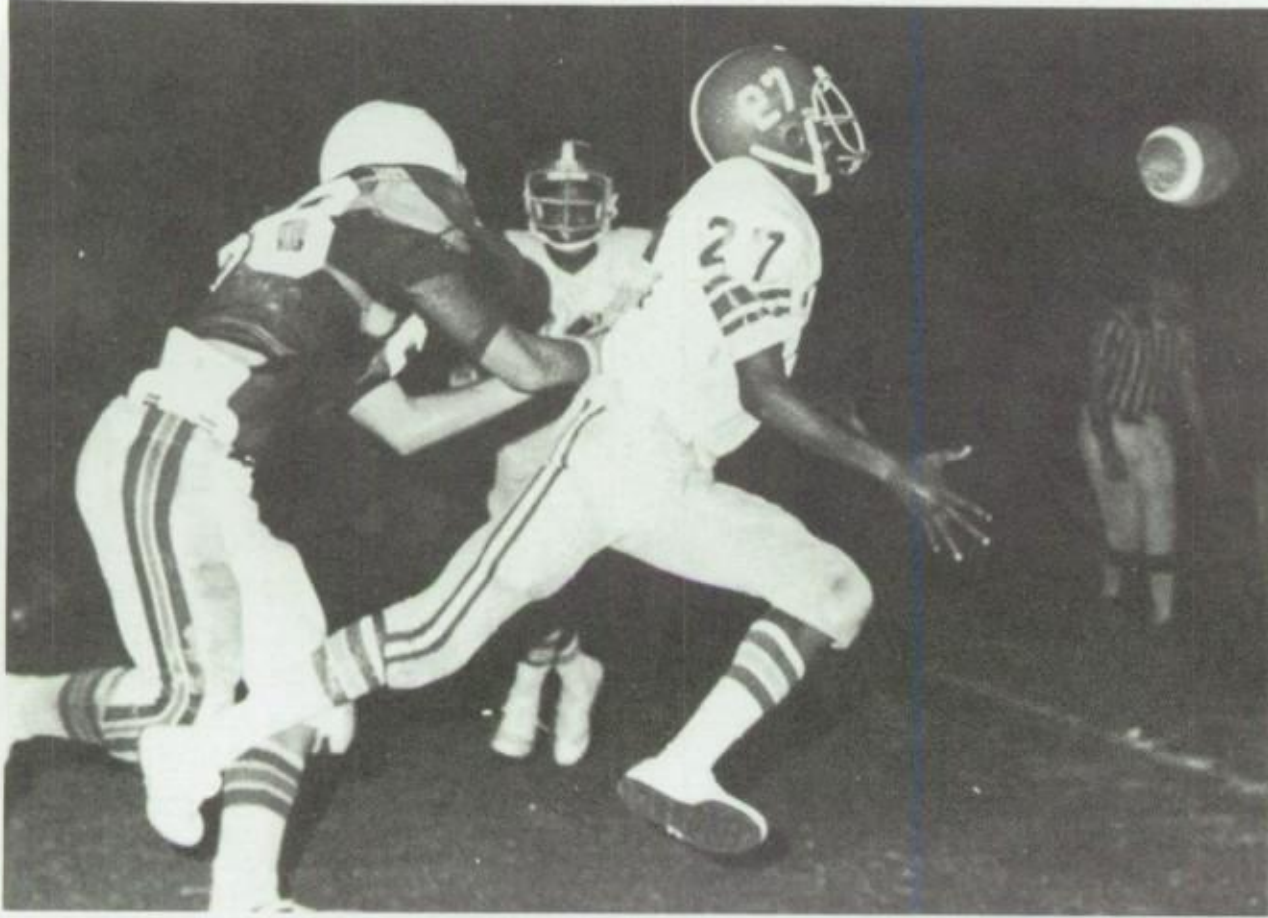

Blountstown 34-0. However, there are a couple more bright spots in the season besides the Fla. High game where the Sharks pride and determination could not and would not except anything less than a win. This is against the rival Sharks of Apalach which St. Joe won 20-6 and also in beating Chattahoochee 21-6 in the big "Homecoming" Game. Thus ending the season for the Sharks with a 3 and 6 record. The seniors played an important roll this year with leadership and stamina. The coaches were also a big inspiration to the Sharks all year, for they kept things going and always knew what was best for the team. Next year the Sharks are looking forward to a better season and are hoping we will be there to cheer them on.

They put in a lot of hard hours of practice that paid off in the end. The team came back to take the district title against Chattanooga. They later lost a hard game by four points to Havana, who went on to become state champs.

The 1977-78 Junior Varsity Basketball squad compiled an impressive record of 17-5 under the expert direction of Coach Mike Herring. Throughout the first weeks of training Coach Herring pushed the boys very hard to improve their skills of the game. Their talent began to show as the Jr.-Thumpers progressed. When working well as a team, they soon realized that if they worked extra hard this year, it could be one of their best ever. As the season opened, they suffered an agoniz-

ing loss to the Rutherford Rams. This defeat didn't seem to phase the sharks morell. They took the loss as an extra incentive to work harder and rid themselves of mistakes. Around mid-season the Jr. Sharks reached a record of 7-4, but they were really playing hard. Losing only to the toughest teams on their schedule by only 3 or 4 points. After losing to Bay High School the boys seemed to finally get their stuff together as a team, to go on and win their last 10 games. Port St. Joe out

scored their opponents by an average of 10 points per game with the help of leading scorer Castledera Gant. Other big scores from Boykins, Taylor, Tiller, Hinote, and Harris were turned in throughout the season. Also the "Second Stringers" should be noted for their ability to come into a game and keep the momentum going while the first team gets a rest. In the end this proved to be a big factor in the Jr. Sharks success.

# WRESTLING HAS IT'S BEST

Wrestlers strived hard to make this year Port St. Joe's best year ever for wrestling. Among all the excitement of looking forward to using the new uniforms and trying out the new mat that the young men helped raise money for, was the thrill of getting a harder schedule. Being able to compete against bigger schools

gave the wrestlers a chance to prove to each other what they're made of. It also brought them closer together as a team. Under the superb coaching of Mr. Chris Early (right) St. Joe took more wrestlers to the Regional meet than they had ever done in the past. Next year Mr. Early is looking forward to an even better season.

## SHARKS TRACK TEAM HAS

The 1977-78 Track Team of Port St. Joe proves to be a great asset to the sports program at our school. Coach William Wood made sure each boy worked hard in preparation for his own individual event. Several of the boys place high in their events in district and this enables them to advance to the Regional Tournament. Many of this years stars will be returning next year to give us another great season.

# BOYS HAVE BEST SEASON IN FOUR YEARS

The St. Joe Boys went 5 and 5 this year, the best record in four years. The team was led by no. 1, Rod Herring and no. 2, Kelvin Rouse which played no. 1 doubles together. The no. 2 doubles consisted of no. 3 Chip Pollock and brother Chuck at no. 4. Jay Hanlon held the no. 5 spot. The team will lose Chip Pollock and Kelvin Rouse because of graduation. Rod Herring and Chuck Pollock are Jr.'s so they'll be back with Jay Hanlon a 9th grader. We'll expect another good season next year.

No. 2 was Mary Dell Adkison, who played no. 2 doubles with Diana Sealey, the no. 3. The no. 5 was Beth Pollock. The Girl's will lose their top three players to graduation, Connie Stoutamire, Mary Dell Adkison and Diane Sealey. Jan Leavins is a Jr. so she'll be back with Beth Pollock a 9th grader. ## ST. JOE GETS OFF TO A SLOW

The 1977-78 baseball season has again proven to be very successful. The Sharks had some tough competition, but with the great coaching, the hard practice, and the complete dedication, they came through. The Sharks had a slow start, falling to Florida High, Choctaw, Wewa,

and Chattahoochee. After losing four consecutive games, they came back and won the next ten out of eleven, losing only to Florida High. The Sharks were led by pitchers Duane McFarland and Harlan Haddock. When the season ended, the

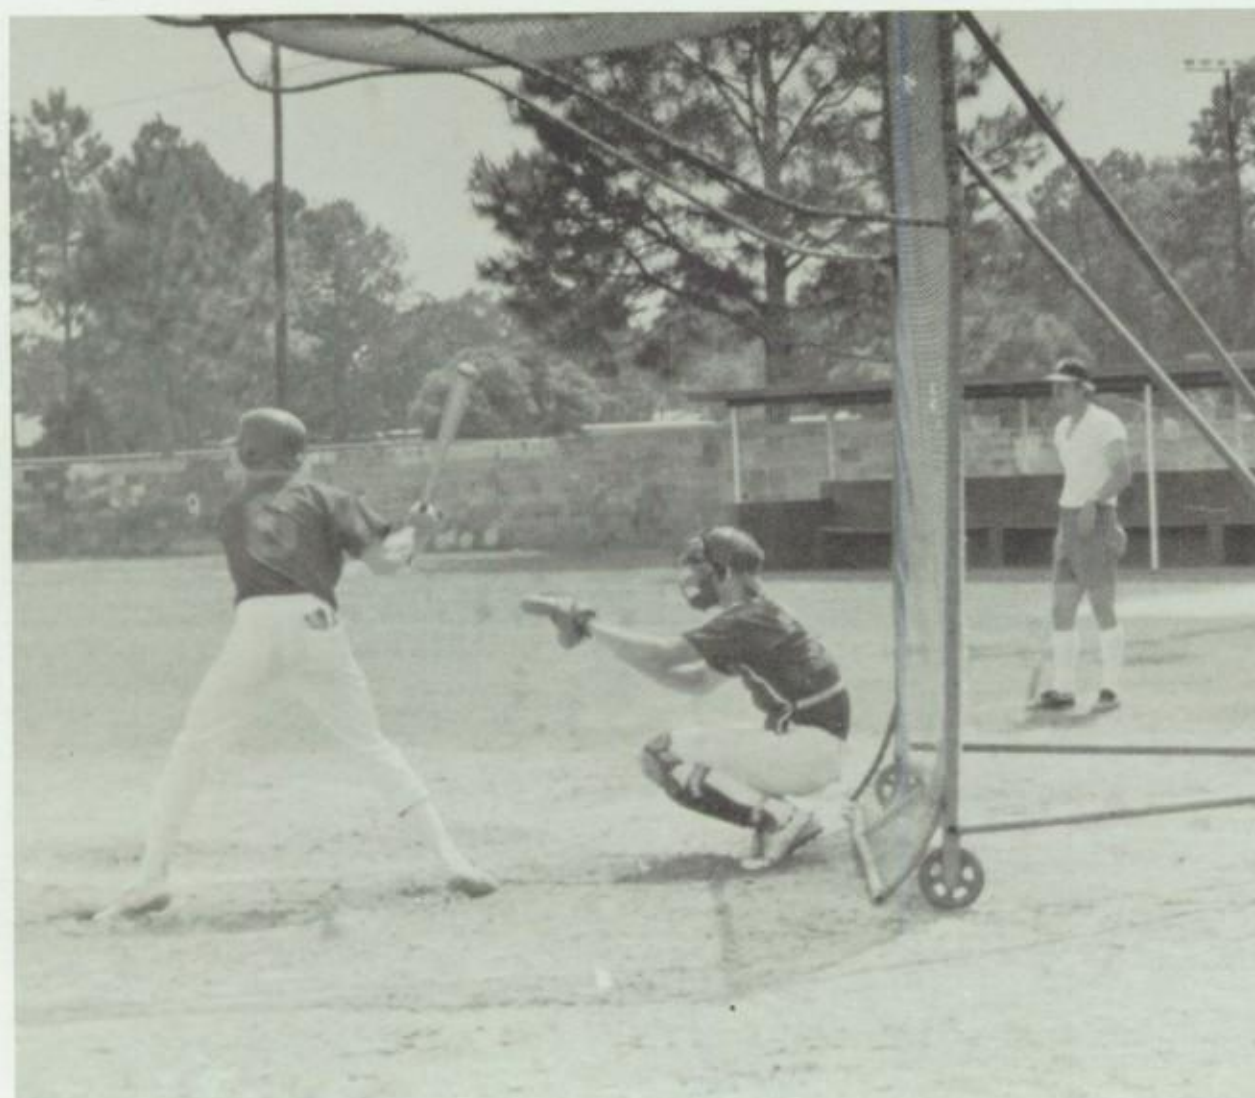

Sharks had a very impressive record of 16 wins and 6 losses. St. Joe traveled to Blountstown for the District tournament but lost in extra innings by only one run.

# GIRLS' BASKETBALL TEAM WINS DISTRICT

The 1977-78 basketball season was a rewarding one for the girls' team, under Coach Rick Williams, at St. Joe High. Carrying an impressive 6-10 record, they advanced to the District Tournament and walked away with the trophy. The team, consisting of four Seniors, one Junior, one Sophomore, and one Freshman, later traveled to South Florida for the Regional Tournament, where they were beaten by a Havana team. Though they will be minus four very valuable team members, the girls' team intends to make next year a winning one.

# Seniors

The 1978 Seniors had a great time at Grad Nite. The Seniors left St. Joe 2:00 p.m. on their way to Disney World. Three bus loads of smiling faces left and three bus loads of tired faces returned. While at Disney World the Seniors enjoyed the rides and bands. As well as looking around enjoying the sights and people. Grad Nite will long be remembered by the Seniors and their chaperons.

# WE WISH YOU COULD STAY

## THE CLASS OF 1978

Like a red rose in early morning  
dew, Like the sea gull climbing  
toward the sun, like a bright sunset  
when day is through, you bring joy  
to all who knew you.

Like the young wren flung from the  
nest, like the butterfly fresh from  
the cocoon, like the fledgling with  
new wings to test, you must fly  
away all too soon.

Make every dream a precious  
reality; Keep every promise to try  
your very best. Accept no obstacle  
as a true finality; and you will shine  
far brighter than the rest.

We wish you could stay  
Because we love you so,  
But we know you have to go—  
You have to go—  
To make your own way.

# GRADUATION AND MEMORIES

# LOOKS LIKE WE MADE IT

## CLASS OF '78

Well we made it through all the good and bad times. We will all go our separate ways, but we will always keep our old Alma Mater in our hearts. The memories we made and the times we shared will stay with us forever. We hope the teachers and administration will remember the Class of '78 always. Because you hold a special place in our hearts. With our school as our foundation, our parents as our guides, and God as our leader, we are sure to make our dreams come true. The Class of '78.
